

THE SUPREME COURT OF THE STATE OF ALASKA

ORDER NO. 145

An Order Amending  
Order 136 Section D

Section D of Order 136 is amended by adding a new  
Section 3 to read as follows:

(3) Additional method for selecting petit jurors-

The trial court, on its own motion or on motion of the parties, and with the approval of the Administrative Director, may designate an additional or lesser area than called for by Section D(2) herein. Such designation shall be made if the court finds that the area provided for by Section D(2) will not provide a petit jury whose composition meets the constitutional requirement of a truly representative cross section of the appropriate community, or where the court finds that adherence to the area of selection called for by Section D(2) would cause unreasonable transportation expenses in regard to the petit jury panel.

DATED: October 19, 1971.
