**You must use black ink to fill out this form.**

**3. Basis for Legal Separation:** There is a breakdown in the marriage and we want to separate but stay legally married to protect significant religious, financial, social or legal interests.

We understand that:

- a legal separation is not a required step before getting a divorce;
- we will stay legally married; and
- we will divide the property and debt earned or received during the marriage until the date of the legal separation

**4. Property and debt**

We have already divided all marital property and debt so there is none for this court to divide. We can each keep what we have in our possession or control.

There is property and debt for the Court to divide. We request that the marital property and debt be divided according to the attached Property and Debt Description worksheets (*you can use Property and Debt Worksheet, [SHC-1000](#)*).

**5. Statement Regarding Minor Child(ren)** (*include child(ren) of this relationship born prior to or during the marriage or adopted during the marriage*):

We have NO minor children together and neither spouse is pregnant.

We have minor children or one spouse is pregnant. (*If pregnant, there are children, or paternity needs to be disestablished for any child(ren) born or conceived during the marriage, this form will NOT work for you. Use Uncontested Complaint for Legal Separation With Minor Children, SHC-092*).
